**What others are saying about Sports Plus**

Sports Plus has been a safe haven. With all of our hectic schedules and lives my son and daughter have looked forward to fun summers for the past 6 years and are never disappointed. Scheduling is very easy too which makes me very happy.

Nancy Paradis

My 2 boys enjoy having choices of activities and really love the Sports Plus lunches. They also like the fact that they know and meet kids from all different parts of their lives, be it from school, sports leagues, and afterschool and tutoring programs.

Danette Smith

For years now my 3 boys have gone to Sports Plus. They all 3 have different tastes but some how they always seem happy. My younger two are looking forward to joining their older brother as counselors in the future.

Renay Herman

Our little girl was very nervous the first day, and we were too. Sports Plus made her feel comfortable and at home the moment she stepped into camp. The wide range of activities kept her busy all day. She always came home tired but was very ready to go the next day with a big smile on her face.

Chris Hand

This is the 5th year in a row my son and daughter have attended Sports Plus and they look forward to coming back each year. They love the many activities, specialty sports training camps, and of course the Friday trips to amusement parks. The staff is great and make their camp experience fun and rewarding.

Martin Bernard

Sports Plus has been a saving grace over the years. It’s a great place to send our 3 kids where they are moving and having fun. Sports Plus provides a great service.
